COWICHAN VALLEY YOUTH MENTORSHIP PROGRAM APPLICATION 2021

The youth mentorship program will support emerging artists aged 13 to 21 years. CVAC matches the participants with suitable professional artists who act as mentors. There will also be small group activities either by ZOOM or in person.

To be successful in the program, students will be expected to commit 8 to 10 hours a month to practice and meet with the mentor. Students will receive a membership in CVAC. You will be invited to participate in the annual student show in April.

The family of Dale Nigel Goble, a local artist who died in 2019, is sponsoring a youth mentorship program in conjunction with the Cowichan Valley Arts Council. Dale Goble was an artist who believed in mentoring youth to help them achieve their artistic goals.
